

## I. Application

The following conditions shall govern the manufacture, the use and the maintenance of as well as the acquisition and transfer of title of tooling including follow-up tooling used by the supplier (hereinafter referred to as "Supplier") of Pierburg Pump Technology México S.A. de C.V. (hereinafter referred to as "PPT") for the production of PPT-related parts (hereinafter referred to as "Tooling").

These conditions shall also apply, if the Supplier (manufacturer of parts) purchases the Tooling from third parties (sub-suppliers).

## II. Manufacture of Tooling, Construction of Tooling

1) The Supplier shall be obliged to carry out the construction, quality and performance of the Tooling strictly adhering to the agreed technical specifications, applicable laws, applicable Mexican Official Standards (Normas Oficiales Mexicanas), functions, activity values and drawing requirements of the parts to be produced.

2) Unless otherwise agreed in writing, the Supplier shall present to PPT at intervals of two weeks, a progress control of the Tooling as target-performance comparison, if requested and in the agreed time, a drawing of the Tooling.

3) If, after the Tooling has been ordered, PPT requests changes that lead to price changes or delays, the Supplier shall, prior to the start of any activity related to the changes, submit to PPT a written quotation containing the updated timeline and price schedule. If additional costs or time delays are not confirmed by PPT in writing, they shall remain out of consideration.

4) At completion of the Tooling the Supplier shall maintain an inventory of all Tooling. The inventory shall contain all Tooling used for the production of parts for PPT. The inventory shall contain for each Tooling the part number of the produced part / the part that shall be produced. The Supplier shall submit the inventory of the Tooling to PPT upon PPT's request.

## III. Delay

The dates and time schedules stated in the order are of the essence; this shall apply as well to agreed milestones during the production time of the Tooling. In the event of delay, the Supplier shall be liable for all and any damages resulting there from according to applicable laws.

## IV. Payment, Title, Withdrawal

1) PPT will only pay for the first Tooling, unless otherwise agreed in writing.

2) Payment of the Tooling

a. Unless otherwise agreed in writing, the Supplier shall be entitled to invoice the Tooling to PPT after the following conditions are fulfilled:

- o PPT has received the Supplier's order confirmation.
- o The Tooling is completed.
- o The PPAP-release for the part to be produced has been approved.
- o The Tooling costs have been detailed.
- o According to PPT's requirements, the Tooling shall be permanently marked as „property of PPT“ (or of a third party, if requested by PPT).

A detailed photo documentation that shows the Tooling in different views and the marking has been submitted.

After correct invoicing, complying with all applicable tax requirements under Mexican Law, the payment of the first Tooling shall be effected „immediately net“. Payment will be made in U.S. Dollars at the applicable exchange rate published by Banco de Mexico on the date of payment.

b. If agreed, the costs of the first Tooling may be allocated on a defined quantity of serial parts and therefore be paid via the serial price (so called "Tooling cost amortisation"). In this case, the agreed Tooling costs and the defined quantity of serial parts shall be separately reported in the purchase agreement.

c. Furthermore, PPT shall be entitled to pay for a partly finished Tooling during its manufacture. In this case the agreed Tooling costs shall be reduced by taking into account the value of the manufacturing steps not reached.

3) Transfer of title

a. The title of the Tooling that are applied and invoiced by the Supplier shall be transferred to PPT after complete payment. The Tooling shall not be assigned, sold, leased encumbered, affected or in any other way pledged for the benefit of a third party by the Supplier without PPT's prior consent. The Supplier shall inform PPT immediately if a third party claims any rights in respect to the Tooling or if the Tooling is, for example, subject of compulsory execution.

b. In case of Tooling cost amortisation (cf. IV. 2) b.), the Supplier shall grant to PPT the right to pay at any time prematurely the complete

Tooling price. The title of the Tooling shall pass to PPT once it is completely paid.

c. The title of any follow-up Tooling shall pass to PPT upon its completion.

d. The Supplier shall mark the Tooling as „property of PPT“ (or of a third party, if requested by PPT) and shall submit photos of the marking.

4) Withdrawal of Tooling

Any time after complete payment of the Tooling PPT shall be entitled to take possession of a single or all Tooling, the Tooling construction details in an editable format, the Tooling history documentation and all available spare parts for the Tooling.

Until the withdrawal of the Tooling, the Supplier shall be liable, without limitation, for any breakdown, complete or partial destruction as well as for any other damages of the Tooling. Notwithstanding any provision to the contrary in these conditions or the applicable law, including, without limitation Article 383 of the Commerce Code, the parties waive the statute of limitations to submit any claim regarding the Tooling failure to comply with the agreed upon quality, quantity or for hidden or any other defects.

## V. Use of Tooling

1) The Supplier shall guarantee that the Tooling and documentations are free from third parties' intellectual property rights. If intellectual property rights exist, the Supplier shall indemnify PPT from all and any claims relating thereto and/or shall grant to PPT free of charge a non-exclusive, world-wide, assignable and unlimited license for the use of the Tooling and the thereto-related documentation for the production of parts.

2) The Tooling shall be used exclusively for the production of parts for PPT. The Tooling may be used for other purposes only after express, prior and written consent of PPT.

3) The Supplier shall guarantee that the Tooling is fit for use for the production of the agreed volume of parts in the agreed quality. The Supplier shall carry out maintenance, Tooling repairs and, if necessary, the manufacture of the follow-up Tooling at its cost.

4) The Supplier shall be responsible that the follow-up Tooling is suitable and available for use as required.

5) Follow-up Tooling respectively Tooling repairs shall be presented to PPT and the relevant new initial samples need to be approved in writing by PPT.

6) The Supplier shall maintain complete and consistent inventory of all Tooling used in production of parts for PPT. This shall include (but is not limited to) the documentation of changes, maintenance, repairs, renewals and the volume of the produced parts.

7) The Supplier shall, free of charge, maintain possession of the Tooling, store them duly, handle them in accordance with usual care and insure them for PPT's benefit against fire, water, theft and damage. The insurance shall not release the Supplier from its own liability, neither on its legal grounds, nor concerning its extent. All insurance policies obtained by the supplier shall be with an insurance company duly authorized to operate in Mexico. PPT may, at its sole discretion, accept insurance policies issued by companies authorized to operate in the United States of America or other countries.

8) The Supplier shall, free of charge, keep and store Tooling and all documentations for a period of fifteen (15) years following the end of serial production.

9) The Supplier shall be liable for a safe and riskless application of the Tooling; it is responsible for the compliance with all statutory provisions, notably – but not limited to – the corresponding accident prevention regulations of the competent Employer's Liability Insurance Association or comparable institutions.

## VI. General Provisions

1) These conditions are governed by the laws of the United Mexican States excluding any laws of conflict.

Application of the United Nations Convention on Contracts for the International Sale of Goods of April 11, 1980 (CSIG – "Vienna Sales Convention") is excluded.

2) Exclusive place of jurisdiction for all disputes and claims resulting from or in connection with these conditions shall be Mexico City, United Mexican States.

3) If any provision of these conditions is or becomes invalid, this shall have no effect on the validity of the remaining provisions. Further, the Supplier and PPT shall, if possible, replace the invalid provision with a new, valid provision that fulfils as closely as possible the intent of the invalid provision. The same shall apply to unintentional regulatory gaps.
