

	<b>First Article Inspection (FAI) - Annex 003</b> <b>"Table of Content"</b>	Dok-Nr.	SP06-TAC-006-A003
		Version	3.0

Drawing number	Index	Material number	required Level	Serial number	FAI-Report-no. Supplier

No.:	Documents:	Level:			Result Supplier:	Result RLS:
		1	2	3		
1	<b>First article inspection report</b> (cover or release sheet)	X	X	X		
2	<b>Deviation requests released by RHEINMETALL BU TAC</b> , if applicable	X	X	X		
3	<b>Measurement and test reports:</b>					
3.1	Parts lists / BOMs / etc.	-	X	X		
3.2	Drawings with tested features (balloon drawings) incl. allocation to the test and measurement reports	-	X	X		
3.3	Measurement report incl. target and actual values and tolerances	-	X	X		
3.4	Test equipment list with reference to the measurement reports (with calibration certificate)	-	X	X		
3.5	Layer thickness report (WN/TL/FV)	-	X	X		
3.6	Functional test records (PV)	-	X	X		
3.7	Welding assessment (visual inspection reports), if applicable	-	X	X		
3.8	Adhesive assessment (visual inspection reports), if applicable	-	X	X		
4	<b>List of subcontractors</b>					
4.1	First article inspection records and test certificates from sub-suppliers	-	X	X		
4.2	Evidence of product-specific incoming goods documentation of the sub-supplier	-	-	-		
4.3	Evidence of the use of suppliers specified by BU TAC	-	X	X		
5	<b>Supporting documents:</b>					
5.1	Material certificates according to QSB specification	-	X	X		
5.2	Evidence of the use of materials specified by BU TAC	-	X	X		
5.3	Production process description	-	-	-		
5.4	Special process verifications (audit evidence / process capability)	-	-	-		
5.5	Proof of compliance with product-specific guidelines (SPC; Standards; VG; IPC; WN; TL; etc.)	-	X	X		
6	<b>Manufacturer's declaration of conformity for standard parts</b>	-	-	-		

<b>Date:</b>	<b>Name and position:</b>	<b>Signature:</b>

**Legend:**

**X** = The supplier must provide the required documents/evidence with delivery of the first article and archive a copy of these records and make them available on request.

- = The supplier must archive the required documents/evidence and make them available on request.
