Request of latest REACH information

Dear Madam, dear Sir,

The European chemicals legislation REACH (Regulation EC No.1907/2006) contains, amongst others, the duties of registration, authorization, submission of information and restriction of chemicals that are deemed dangerous.

We hope for your support and ask you to provide us with information about the products you supply as well as relevant documentation.

In this context, we kindly ask for your support. Please tick the applicable answer out of the four given options and send us back the filled-in letter or scan document and sent to RLS-REACH-BUTAC@Rheinmetall.com – thank you!

The delivered product is an article / products are **articles**. We hereby confirm that the product does **not**, to our current knowledge, contain **any REACH candidate substance*** in a concentration >0.1% weight by weight. (In accordance with ECJ judgment No. C-106/14 of 10 September 2015, the 0.1% threshold was measured in reference to the weight of the smallest articles / sub-components of the product.)

Or

The delivered product is an article / products are **articles**. In accordance with Article 33 (1) of the REACH regulation, we hereby inform that the product does, to our current knowledge, contain **at least one REACH candidate substance*** in a concentration >0.1% weight by weight. (In accordance with ECJ judgment No. C-106/14 of 10 September 2015, the 0.1% threshold was measured in reference to the weight of the affected article/sub-component of the supplied product.)

* REACH candidate substance: substance meeting the criteria in Article 57 and identified in accordance with Article 59 (1) of the REACH regulation. A comprehensive list of REACH candidate substances can be entered online: <http://echa.europa.eu/candidate-list-table>.

Rheinmetall Landsysteme GmbH Betriebsstätte Kiel
Postfach 3645 · 24035 Kiel

The REACH candidate substance(s) in question is/are:

Product name /article no.	Substance name	CAS Number / EC-Number	present in the following article / sub-component

or

The delivered product is a **substance or a mixture / products are substances or mixtures**. Attached to this letter, you will find the most recent version of the corresponding **Safety Data Sheet** in accordance with Article 31 of the REACH regulation (in electronic format).

Or

The delivered product is a **substance or a mixture / products are substances or mixtures**. We hereby confirm that the product does, to our current knowledge, **not** contain any dangerous substances. In accordance with Article 31 (3) of the REACH regulation, there is therefore no need to provide a Safety Data Sheet, even upon request of the customer.

Date:

Signature / seal

of your company: _____

Thank you for your kind cooperation. Please do not hesitate to ask for further information via e mail and please send future REACH declarations of conformity to RLS-REACH-BUTAC@Rheinmetall.com.

Yours sincerely,

i.A. Dr. Alexandra Schütze
