Request for information in accordance with Art. 33 Regulation (EC) No. 1907/2006 (REACH Regulation)

Ladies and Gentlemen,

The European chemicals legislation REACH Regulation contains, amongst others, the duties of registration, authorization, submission of information and restriction of hazardous substances. The European Chemicals Agency ECHA has published a list of substances of very high concern on its website, which meet the criteria in Article 57 and identified in accordance with Article 59 of the REACH Regulation.

With reference to Article 33 REACH regulation, we ask you to inform us whether any of these substances of very high concern are contained in the product to be delivered or already delivered to Rheinmetall MAN Military Vehicles GmbH in amounts exceeding 0.1 % weight by weight (w/w) and to provide us with the information required for the safe use of this products. This also includes information on the SCIP database (at least the SCIP number).

If the product is composed of several articles, please provide us with the above-mentioned information for each article contained in the product.

Please tick the applicable answer out of the four given options (only one choice possible) and send us back the filled-in letter – thank you!

<input type="checkbox"/>	A	The product in question is an article . We hereby confirm that the product, to our current knowledge, does not contain any substances of very high concern (REACH candidate substance) in a concentration >0.1% w/w.
<input type="checkbox"/>	B	The product in question is an article . In accordance with Article 33 of the REACH regulation, we hereby inform that the product does, to our current knowledge, contain at least one REACH candidate substance in a concentration >0.1% w/w or substance from Annex XIV and/or Annex XVII . In this case, please complete the table provided as an attachment to this letter.
<input type="checkbox"/>	C	The product in question is a substance or a mixture . Attached to this letter, you will find the most recent version of the corresponding Safety Data Sheet in accordance with Article 31 of the REACH regulation (in electronic format).
<input type="checkbox"/>	D	The product in question is a substance or a mixture . We hereby confirm that the product, to our current knowledge, does not contain any dangerous substances. In accordance with Article 31 (3) of the REACH regulation, there is therefore no need to provide a Safety Data Sheet, even upon request of the customer.
