3. Delivery note

The original delivery note needs to be assigned to the waybill. A copy of the delivery note must be put in a shipping document pouch and has to be fixed on the front side of the package respectively on the pallet.

4. Invoices

Invoices had to be sent in duplicate by separate mail. The duplicate has to be marked as copy. Do not enclose invoices to the package in any case.

5. Packaging:

On every outer package the following additional information has to be printed or labeled on visibly: eight-digit RWM-material no., RWM name of item, item quantity and the gross weight.

It is not allowed to exceed the following dimensions:

The dimension of the Euro-pallet, the max. weight of 1.000 kg (2.204 lbs), as well as the max height of 1,00m (39,4in) for a pallet. These dimensions are also valid for one-way-pallets.

Exceedings have to be agreed by the consignee in advance with the procurement dept..

If the packaging is a returnable packaging of the purchaser, the dispatch labels need to be fixed in a way that a removing of the labels did not cause any damage of the returnable packing.

6. "Ex-Works"-delivery

All „Ex-Works“ delivery has to be notified to the procurement dept. with a dispatch advice in advance.

The dispatch advice contains following details:

- Weight, quantity and type of packing unit
- Weight, quantity and dimension of disposable packaging and its stackability
- Concrete declaration of the respective collecting point
- Contact person with contact details
- **Hazardous good / classification of hazardous good, UN number, net weight and net explosive mass (NEM)**
