

## CONVOY SUPPORT CENTER

With the new threat scenario, Rheinmetall is combining all its experience and offering the complex logistical support for the movement of armed forces.

With this task, Rheinmetall Project Solutions GmbH is the industrial partner to take on the mission of setting up and operating rest areas (Convoy Support Center – CSC) and assembly areas (in context with marshalling or staging areas) along the convoy route.

Provision and operation of the following partial services, among others:

- Refueling
- Catering
- Sanitary Facilities
- Waste Management
- Energy Supply
- Accommodation
- Medical
- PX
- Workshops
- Force Protection
