

Product	KINS.0113 T00 C01
Material Composition	Ceramic composite
Cover Material	Cordura®, black
Protection Level	VPAM BSW 2006 Level 9 (Stand-Alone) 3 shots 7.62 x 51 FMJ/PB/HC (P80)
Areal Weight <i>Tolerance ± 4 %</i>	33,3 kg/m ²
Thickness <i>Tolerance ± 1 mm</i>	18,5 mm
Shape / Curvature / Dimensions <i>Tolerance ± 3 mm</i>	D – Torso / Back Plate (multi-curved) 250 x 300 mm ² (680 cm ²) – 2,28 kg
Weight (incl. Cover) <i>Tolerance ± 5 %</i>	P – Torso / Back Plate (SAPI, multi-curved) Size M 239 x 315 mm ² (710 cm ²) – 2,36 kg
	Q – Torso / Back Plate (SAPI, multi-curved) Size L 258 x 335 mm ² (835 cm ²) – 2,80 kg

Remarks

Changes due to technical improvements are possible. This information corresponds with the latest available technology and is offered without liability.

Instructions for Use / Storage

Handle insert carefully and protect it against hard impacts. Don't stack or place weight on insert. Don't expose insert to temperatures higher than 70°C.

Maintenance Guide

Inspect and clean insert with water and mild soap at least every 3 month. Don't use any solvent or aggressive detergent. In case of visual damage send insert back to the manufacturer.
